

Curriculum Vitae

**Personal information:**

First and last name: Noris Sakic
Address: Ćazima Alicja 25. 75213 Lipnica
Phones: 063 511 389
Email: noris.sakic@untz.ba
Citizenship: Bosnia and Herzegovina
Date of birth: 19.05.1994.
Gender: Male

Title/ current position:

Bachelor - Mining Engineer for Well Exploitation / Assistant at the Faculty of Mining, Geology and Civil Engineering, University of Tuzla

Experience:

Dates: 27.02.2023. -
Position/occupation/title: Assistant / Scientific field: Geospatial information, engineering graphics and numerical modeling
Basic responsibilities and duties: Associate in teaching, consulting, scientific research work
Employer name: RGGF, University of Tuzla

Dates: 2022 – February 2023
Position/occupation/title: Trainee Engineer / Drilling and Blasting Work Unit
Basic responsibilities and duties: Seismic measurement during the blasting process, monitoring the drilling process and explosive consumption, assistant to the technical manager of the work unit
Employer name: RMU Banovići

Education/Training:	
Dates	2000 – 2009
Qualification acquired	Primary education
Field of science and profession, acquired titles and skills	
Organization name	JU Primary school "Lipnica" in Lipnica
Dates	2009 – 2013
Qualification acquired	IV degree
Field of science and profession, acquired titles and skills	Informatics and electronics, Computer technician
Organization name	JU MS Electrical Engineering School Tuzla
Dates	September 12, 2013 – November 3, 2021.
Qualification acquired	First cycle of studies
Field of science and profession, acquired titles and skills	Mining - Borehole exploitation of mineral raw materials, Bachelor – Mining Engineer for Well Exploitation
Organization name	University of Tuzla, Rudarsko – geological – Faculty of Civil Engineering
Participation in scientific research projects, events, conferences:	
Title of work	Geotechnical investigations on the M-18 road
Event name	Ninth Regional Congress of Students of Geotechnology Faculties "Georeks"
Date, Venue	10. until 13.07.2015. year , Sofia - Bulgaria
Title of work	Redevelopment of Mining Facilities of the Former Coal Mine "Lipnica"
Event name	4th International Conference on Tourism and Sustainable Development
Date, Venue	07. to 09.05.2015. year , Bucharest – Romania
Lecture topic name	Well cementing, Protection and rescue system in Bosnia and Herzegovina
Event name	19. Summer University
Date, Venue	20.06.2014. , RGGF Tuzla – Bosnia and Herzegovina
Title of the work	Deviation of the Borehole Channel Based on the Example of Borehole B - 70, on the Bearing of Rock Salt "Tetima" in Tuzla
Event name	Tenth Regional Congress of Students of Geotechnology Faculties "Georeks"
Date, Venue	13. – 16.07.2017. year, Tuzla – Bosnia and Herzegovina

Participation in the teaching process

As an assistant

Descriptive geometry, Descriptive geometry and dimensioned projection, Descriptive geometry and engineering graphics, Engineering graphics and CAD, Geodesy, Geodesy and mining measurements, Fundamentals of geoinformation systems, Exploratory drilling, Drilling and blasting technology, Tunnels

University of Tuzla, Faculty of Mining, Geology and Civil Engineering
The first cycle of higher education

Personal skills and competencies

Native language

Bosnian

Other languages

English

Understanding		Speech		Writing
Listening	Reading	Voice interaction	Speech	
Very good	Very good	Good	Good	Good

Computer skills and competencies

Advanced user of all MS Office tools (knowledge acquired in high school - computer technician, and through active use in recent years due to various needs and duties), Corel packages, and specialized tools: AutoCAD, ADINA, MapInfo, QGIS, Visual Studio and CodeBlocks (programming in C, C++, C#, Fortran languages), Flowcode (microcomputer programming).

Other skills

Passed driving test category "B" (October 2012) - active driver
